

IN THE DISTRICT COURT OF THE FIRST JUDICIAL DISTRICT, IN AND FOR  
BOX ELDER COUNTY, STATE OF UTAH

IN THE MATTER OF THE GENERAL  
DETERMINATION OF ALL THE RIGHTS  
TO THE USE OF WATER, BOTH SUR-  
FACE AND UNDERGROUND, WITHIN  
BOX ELDER COUNTY, UTAH.

} INTERLOCUTORY JUDGMENT AND DECREE

Civil No. 2822

This matter having come before the Court for hearing on or about the 17th day of February, 1961, on the 29th day of May, 1963, and again on the 9th day of July, 1963, on the protests of the George Creek Irrigation Company and Orville E. Taylor, to the Proposed Determination of Water Rights submitted by the State Engineer as to George Creek, Johnson Creek and tributaries in Box Elder County; and the Court having heard the evidence offered by the respective parties and being fully advised in the premises finds the water rights awarded to each party herein are fully supported by the evidence as to quantities of water, dates of priority, and to the extent of use upon the lands of the parties hereto except that certain water user's claims of Orville Taylor should be increased to include an additional 100 head of cattle and that the priority rights to the use of water from George Creek for irrigation purposes has an equal priority to the use theretofore for stockwatering purposes and when the flow of George Creek reaches to a flow of 2.5 c.f.s. at the Lone Rock divider the water cannot be beneficially used for irrigation without being placed on a rotation basis, now, therefore, it is

ORDERED:

*from July 1 to Oct 1, exclusive*  
1. That the priority of all stockwatering claims from George Creek be reduced to 100%.

2. That during the period of July 1 to October 1, inclusive, when the flow of George Creek reaches to 2.5 c.f.s. it will be placed on a rotation basis.

3. That the period of irrigation shall be from April 1 to October 1.

4. That Water User's Claims Nos. 3, 128, 139, 116, 194, 40, 138, 246, 249, and 248 be increased to a total of 140 head of cattle.

*Check using from April to June creek supplies 2.5 c.f.s.*

5. That in all other respects the Proposed Determination of  
Water Rights is upheld and affirmed, and ordered into effect  
as of the date 10 day of November, 1963.
